# News & Thoughts from the Library

*Fantastic news received in July from  
Ellen Arnold-Robbins, director of the Library:*

*“This evening I am attending a City Council meeting where the Council will pass a resolution authorizing the naming of our children's room in honor of Mike.”*

*“This yearly event, in memory of Mike, has raised thousands upon thousands of dollars for our library over the last few years. Ever notice that the USB connectors in public computer room A are little golf balls? A quiet nod to the folks whose efforts paid for a big chunk of the public access software.”*

*“... I wish to extend the personal thanks of the entire Library staff and the Friends of the Library for this amazing undertaking. We are all deeply touched by the support we have received from Mike's friends, year after year. - ...”*

*“...I want to tell you again how appreciative we all are of everything you have done for the Library. Your continued support is bringing more and more people together in what truly has become a living memorial to Mike's memory. We are pleased and honored to be a part of it. And Mike was surely a lucky guy to have such wonderful friends!”*

**“Heartfelt thanks to all of you from the Library staff and all the residents of Takoma Park.”**
